

Section 4

Recognized Gauge Equipment

(Revised 11-03-21)

- 4.1 For the purposes of certification or recertification only commercially manufactured gage equipment recognized by the Section may be used. The following is a list of currently acceptable gages. If there is a question regarding a candidate's equipment it should be referred to the Proctor-in-Charge before the examination.
- 4.2 Current list of recognized gages may be amended by the Committee; as necessary.

Differential Pressure Gages

<u>Manufacturer</u>	<u>Model Numbers</u>
